## ADMINISTRATION -- DIVISION OF GAMING

## Use of Tribal Logo to Recognize the Uses of Tribal Gaming Revenue

## Motion:

Move to require the La Follette School of Public Affairs of the UW System, working in consultation with Wisconsin Indian Tribes and Bands, to develop the following: (a) a proposed tribal logo representative of Wisconsin tribes and bands and appropriate for display on official state notifications of grant funding provided in whole or in part by tribal gaming revenues; and (b) a plan to implement the use of the logo, including procedures relating to the determination of the circumstances in which the logo would appropriately be used, the cost of developing and utilizing the logo and a proposal on how these costs would be funded. Require the Department to submit the proposed logo and plan to the Joint Committee on Finance, under a 14-day passive review process, and to the governing bodies of each Tribe and Band for approval. Provide that the plan may be implemented if approved by the Joint Committee on Finance and the governing bodies of the Wisconsin Indian Tribes and Bands.

5/24/01  
Indian Affairs  
MSL

## Note:

Tribal leaders have suggested the possibility of developing and using a tribal logo to provide recognition to Wisconsin Tribes and Bands for the uses of tribal gaming revenue, which supports a variety of state programs. The motion would provide a mechanism to study the idea and develop a plan for its implementation.
